I just talked to Juneau County counsel. He says that the Board's failure to consider the MOU was not the result of any substantive problems. Rather, he said that it resulted from all key staff and legal counsel (including himself-he was on vacation for three weeks) being absent leading up to the meeting. Now that he's back in the office, he anticipates that the Board will approve the MOU at its January 15 Board meeting.

Sorry but Juneau County made the decision to wait till January to act on the MOU. I feel it might of passed today if David could have been there. I feel it will pass in January.
